International Symposium MSSp2026

Materials Science and Spintronics for Sustainable Futures from Tohoku

November 9(Mon.) - 13(Fri.), 2026, Sendai, JAPAN

The 10th Symposium for the Core Research Clusters for Materials Science and Spintronics and the 9th Symposium on International Joint Graduate Programs in Materials Science and Spintronics

Venue: Katahira Campus, Tohoku University

Call for Poster Presentations

Deadline: ~~September 30 (Wed.) 2026~~
October 5 (Mon.) 2026

Poster Session: November 11 (Wed.)
Best Poster Award Ceremony: November 13 (Fri.)

Venue: Katahira Campus, Tohoku University

Plenary Speakers: *November 11 (Wed.) @ AIMR 2F Seminar Room*

9:00 am - 9:45 am	**Johan ÅKERMAN**	University of Gothenburg Tohoku University	(Sweden)
9:45 am - 10:30 am	**Kosuke YOSHIOKA**	The University of Tokyo	(Japan)
1:00 pm - 1:45 pm	**Thomas P. RUSSELL**	University of Massachusetts Amherst	(USA)
1:45 pm - 2:30 pm	**Masahiko DEMURA**	NIMS	(Japan)

The plenary lectures are hybrid, but the poster presentations are on-site only. For details and to register, please visit the following
