

International Symposium

**MSSp2026**

Materials Science and Spintronics for  
Sustainable Futures from Tohoku

**November 9(Mon.) - 13(Fri.), 2026, Sendai, JAPAN**

The 10th Symposium for the **Core Research Clusters** for **Materials Science** and **Spintronics** and  
the 9th Symposium on **International Joint Graduate Programs** in **Materials Science** and **Spintronics**

Venue: Katahira Campus, Tohoku University

# Call for Poster Presentations

**Deadline: September 30 (Wed.) 2026**

**Poster Session: November 11 (Wed.)**

**Best Poster Award Ceremony: November 13 (Fri.)**

Venue: Katahira Campus, Tohoku University

**Plenary Speakers: November 11 (Wed.) @ AIMR 2F Seminar Room**

9:00 am - 9:45 am **Johan ÅKERMAN** University of Gothenburg (Sweden)  
Tohoku University

9:45 am - 10:30 am **Kosuke YOSHIOKA** The University of Tokyo (Japan)

1:00 pm - 1:45 pm **Thomas P. RUSSELL** University of Massachusetts Amherst (USA)

1:45 pm - 2:30 pm **Masahiko DEMURA** NIMS (Japan)

The plenary lectures are hybrid, but the poster presentations are on-site only. For details and to register, please visit the following

[https://www.crc-ms.tohoku.ac.jp/en/Symposium/2026\\_index.html](https://www.crc-ms.tohoku.ac.jp/en/Symposium/2026_index.html)

**MOVE  
AND  
SHAKE.**

Organized by: Core Research Cluster for Materials Science (CRC-MS)  
Center for Science and Innovation in Spintronics (CSIS)  
International Joint Graduate Program in Materials Science (GP-MS)  
Graduate Program in Spintronics (GP-Spin)

Supported by: AIMR, JST-ASPIRE, RIEC, SenTIA, Inoue Foundation for Science
